

The Office of Climate Change, Energy Efficiency and Emissions Trading is offering Community Youth Network sites across Newfoundland and Labrador the **chance to win \$500** to reduce their carbon footprint. Proposals will be judged by how impactful and innovative they are.

**How to enter:**

- Explain how your organization would use the prize money to lower your carbon footprint
- Submit your proposal by emailing it to [climatechange@gov.nl.ca](mailto:climatechange@gov.nl.ca) by August 31, 2013

Name of CYN:

Contact Name:
